MEMORANDUM FOR: Legislative Counsel

SUBJECT: Amendments to Federal Employees Pay Act
of 1945 Concerning Overtime Pay

We should follow this very closely even though the chances of it going ahead appear poor. If by any chance it got going, we should probably go all out to get some sort of an exemption which might clarify our status under the Federal Employees Pay Act. We might, for instance, get in wording that "Nothing herein will affect the authority set forth in section 8 of the CIA Act of 1949, as amended."
